

STEPS TO OBTAINING A COMMUNITY CARE FACILITY LICENCE CHILD CARE

COMMUNITY CARE FACILITIES LICENSING PROGRAM

1. Contact your local Licensing office to purchase an application package to operate a licensed community care facility.
2. Read the *Community Care Facility and Assisted Living Act (CCALA)* and the Child Care Licensing Regulation (CCLR) and become knowledgeable with the requirement for the type of Licence you want to obtain.
3. Voluntarily attend a “Licensing Information Session”. Call your Licensing office to register.
4. Complete the “Application for a Community Care Facility Licence” form. This form must have all sections completed and be signed, it is a legal document. Check strata bylaws and/or rental agreements, if applicable.
5. If you are planning to provide care to nine or more children and are providing a meal service or are on septic, a referral to Environmental Public Health will be made by Licensing to assess/approve this part of your application. Applicants are encouraged to contact their local Licensing office and request to be put in contact with an Environmental Health Officer in your area.
6. An applicant must conduct an initial water quality test for lead as a part of the application process for a community care facility licence. If testing results do not meet acceptable minimum standards, a corrective action plan must be developed, submitted and accepted by Licensing prior to issuing a community care facility licence. Once a licence is issued, regular and ongoing lead testing as directed by the Community Care Facilities Licensing Program is required. Please refer to the Lead in Water Infosheet and Lead in Water Bulletin for Licensed Child Care Facilities to ensure directions for testing stagnant and flush water testing are followed closely.
7. Contact your local Municipal Office and obtain any zoning approval, building permits/approval, occupancy permits, or business licenses that are required by the municipality.
8. For all facilities not located in a single family dwelling house, or those facilities that are located in a single family dwelling with a proposed maximum capacity of nine or more children, have the “Municipal Zoning Approval” form signed and stamped by your local Municipal Zoning Department.
9. For all facilities that are located in a single family dwelling in a residential area contact your local Municipal Office to ensure required bylaws are met.
10. For applicants in the **City of Nanaimo**, once an application has been received including the completed “Fire Letter of Assurance and the completed “Fire Approval” forms, the Island Health Licensing office will contact the municipal fire department to arrange for a fire inspection of the proposed facility. Any fee for inspection is the responsibility of the applicant.
