

IMAGINE YOUR LIFE'S WORK IN OUR PIECE OF PARADISE

Vancouver Island, BC

Explore Rehabilitation opportunities on Vancouver Island. New graduates and experienced professionals welcome!

At Island Health, we provide the public health care services to over 794,000 residents throughout our region. We work hard to create work environments that support and attract workers with passion, professionalism and dedication that will help us provide the highest quality of patient care.

In 150+ facilities throughout our 56,000 square kilometers of varied geography, we offer state-of-the-art services and innovative programs. Island Health strives to provide "Excellent health and care for everyone, everywhere, every – time".

Come be a part of our collaborative Island Health rehabilitation team as a Staff Physiotherapist.

Rehabilitation Services include occupational therapists, physical therapists, speech language pathologists, recreation therapists, and rehabilitation assistants.

Programs Include:

- Acute care programs in medicine, surgery, neurology, emergency, intensive care, cardiac programs, renal services and mental health services
- Cardiac rehabilitation
- Chronic Disease Management programs
- Community Rehabilitation
- Comprehensive programs for arthroplasty patients
- Hand therapy clinics
- In-patient rehabilitation services at three major sites
- Interdisciplinary stroke care, pain management and vocational rehabilitation programs
- Long Term Care Services
- Public Health Programs
- Staff Wellness Programs

We are looking for PTs who have the ability to communicate effectively, and in a positive, courteous manner as well as show sound professional judgement and initiative as an active member of our health care team. Successful candidates must have or be eligible for registration with the College of Physical Therapists of British Columbia (CPTBC).

What we offer

Excellent Benefits Package

We offer an exceptional employer-paid benefits package including dental and prescription coverage, pension, long term disability and extensive extended health plan, plus up to four weeks' vacation after your first year of employment.

Relocation Assistance

Relocation assistance may be available for some positions of up to \$3,000 for within BC and up to \$5,000 for outside of BC.

Growth and Development Opportunities

With 150+ facilities across Vancouver Island, you have the ability to move between communities and clinical settings. We also offer training and educational opportunities to help you grow your skills and develop in your career.

More about Vancouver Island

Surrounded by ocean, Vancouver Islanders enjoy the best year-round climate in Canada with warm summers and mild winters. Imagine skiing, golfing and scuba diving all in the same day! The relaxed pace, easy access to outdoor activities, an abundance of art, music, theatre and festivals ensures that there is something for everyone. Whatever the lifestyle you are looking for, we have it here. Vancouver Island also offers quick access to Vancouver by ferry or seaplane, as well as a growing international airport.
